Re: Eric Sanchez

To Whom this may Concern:

I am writing this reference at the request of Eric Sanchez who is applying for an opportunity to go to Spain this summer.

I have known Eric for the past seven months in my capacity as a teacher at York Junior High School in Spring, Tx. Eric is currently in my Texas History class and has continually earned superior grades. Based on his grades, attendance and class participation, I'd rate Eric's academic performance and submitted work as superior.

Eric has a number of strengths to offer. He is always interested in supporting others and works very effectively in a team type setting. For example, this year when we have worked on multiple group activities, Eric and his group's finished products are always well collaborated and neatly done.

In conclusion, I would highly recommend Eric Sanchez. If his performance in my class is any indication of how he will perform in your capacity, Eric will most certainly be a positive addition. If you should ever need any additional information you can feel free to contact me at kcpower@conroeisd.net anytime.

Sincerely,

Kelli Power
History Teacher, York Junior High School
